QUESTION(S)	RESPONSE(S)
1. Are the bid bonds and performance and payment bonds required for this project? The reason we are asking is because we bid the painting project for the Exterior Painting of the City Wide Perimeter Walls, and the requirements for that bid were changed and the bid bonds/performance and payment bonds were not required for that project. We just want to confirm if we still need them for this project.	1. The 5% bid bond and payment is no longer required for this bid.

All other documents, specifications, drawings, terms and conditions remain the same.
